Tool #17: CREATE A LONG-TERM FINANCIAL PLAN

Create a thirty or even fifty-year financial planning document:

• Include everything; projected income, debt elimination, assets, liabilities, major purchases, expenses, retirement.

| Those who don't manage their money will always work for those who do. | | |

| I want to be completely out of debt in years. | | |
| I want to begin investing within years. | | |
| My financial plan will allow me reach financial freedom at age, do exactly what I want to do, including retiring from my job if I choose to do so. | | |
| My long range financial plan will allow me to leave money to the following: | | |
| Charity or Person | Dollar Amount | Percentage of My Net Worth |
