

3 week Grade 11 Power Prep- Grade 11 Physical Science Programme

| | |
|-----------------------|---|
| 21 days before finals | Electricity (Watch the Section Videos on circuits and do 6 long questions on circuits and 8 MCQs) |
| 20 days before finals | Electricity (Watch the Section Video on graphs of electricity and do 3 long graph questions and 8 MCQs) |
| 19 days before finals | Forces and equilibrium (Watch the Section Video and do 6 long questions and 8 MCQs) |
| 18 days before finals | Molecular Structure, Intermolecular forces and Properties (Watch the section videos do 6 long questions and 8 MCQs) |
| 17 days before finals | Molecular Structure, Intermolecular forces and Properties (do 6 long questions and 8 MCQs) |
| 16 days before finals | Newtons Gravity (Watch the Section Video and do 6 long questions and 8 MCQs) |
| 15 days before finals | Electrostatics (Watch the Section Video and do 6 long questions and 8 MCQs) |
| 14 days before finals | Electrostatics (do 6 long questions and 8 MCQs) |
| 13 days before finals | Newtons 1,2,3 (Watch the videos on this sections and do 4 random long questions from the pdf on this section) |
| 12 days before finals | Newtons 1,2,3 (do 8 random long and 8 MCQ questions on this section) |
| 11 days before finals | Newtons 1,2,3 (do 8 random long and 8 MCQ questions on this section) |
| 10 days before finals | Quantative Aspects of Chemical Change (watch all the videos and do 6 long questions) |
| 9 days before finals | Quantative Aspects of Chemical Change (do 8 long questions and 12 MCQs) |
| 8 days before finals | Gases/Boyles (do 8 long questions and 8 MCQs) |
| 7 days before finals | Energy and Chemical Change (watch the videos and do 6 long questions and 7 MCQs) |
| 6 days before finals | Acids and Bases (watch the videos and do 6 long questions and 7 MCQs) |
| 5 days before finals | Redox (watch the videos and do 6 long questions and 7 MCQs) |
| 4 days before finals | Revise 3 long questions and 3 MCQs on all the orange sections |
| 3 days before finals | Revise 3 long questions and 3 MCQs on all the pink sections |
| 2 days before finals | Learn all physics definitions and revise 2 long questions and 2 MCQs on all the orange sections |
| 1 days before finals | Learn all chemistry definitions and revise 2 long questions and 2 MCQs on all the pink sections |
